

AUDIT MANAGER FOR GROWING PRACTICE

OPENINGS AVAILABLE IN OUR TRI-CITIES OFFICE LOCATION

YOU CAN FIND IT...

Are you an auditor with six or more years experience? Looking for an exceptional workplace environment with a career track potential? If you are seeking a collaborative environment where you can work with a strong client base, you should apply immediately.

IT'S HERE AT MITCHELL WIGGINS...

One of the top 25 public accounting firms in Virginia

Enjoy a work-life balance culture while working in a broad range of industries for a leading regional firm. You will experience the complete audit function while planning engagements, visiting client locations and presenting the final product to our valued clients. You will enhance your auditing skills while working in a team setting. You will be encouraged to grow your auditing career in the industry you desire by becoming active in the community or industry specific organizations.

The position is available for a motivated, responsible and intelligent individual who desires career advancement and participating in our Firm growth. Most of our clients are mid-sized privately held companies or well known not-for-profit organizations.

Our professional environment provides career track opportunities and a culture that rewards performance. Our team players enjoy company events and outings, opportunities to be involved in the community and working relationships with all colleagues. Mitchell Wiggins is a member of CPAmerica International, one of the world's largest networks of independent CPA and consulting firms.

We understand that compensating our employees is an important aspect of our working relationship. At Mitchell Wiggins, you will receive a competitive compensation package including paid overtime, employee referral bonuses, new client bonuses and health and retirement packages.
